

Family Focus Day

Sunday, June 3, 2012

911

SAVE THE DATE !

The 2nd Annual Family Focus Day is aimed at sharing information with emergency workers and their families with the available resources to help deal with many of the issues that are faced daily. The day is designed to be full of valuable resources as well as fun activities for the entire family. Informational support and educational presentations will be offered to those in attendance.

A wide variety of professionals will be available on-site to provide information on issues facing families such as:

Nutrition

Health & Fitness

Long Term Care

Pensions

Financial & Retirement Planning

Insurance

College Funding

Stress Related Issues

Addiction Counseling
