

## 2009 IFSAP Annual Conference Re-Cap

This year's conference offered a wide variety of subjects; we attempt to keep the topics general so that they are relevant to our audience. Due to the wide a variety of positions our members hold we try and avoid specialized subjects. We had 63 attendees this year.

Once again, our organization is very fortunate to have highly qualified speakers donate their time and present our topics. We truly appreciate their dedication to sharing their knowledge and experience with us, as always they do it with humor and style. Thursday night's dinner entertainment; Boogey-Bods was a hit. Our attendees should enjoy their DVD's for years to come. The Irish Cottage staff made us feel like part of the family and we thank them for their hospitality.

Remember to check your local community colleges and chambers of commerce for courses and seminars.
