IRS Form W-9 is available, contact the IFSAP Treasurer

Illinois Fire Service Administrative Professionals Active, Associate or Retired Members

Membership Application

Membership payments are due by May 15th of each year

An **Active Member** shall be defined as Illinois Fire Service Support Staff and related positions of regularly organized public, governmental and private industrial fire departments.

An **Associate Membership** shall be extended to the administrative personnel employed by all other fire service organizations, out-of-state fire departments or to those employed by a recognized Illinois fire service academy/school.

A **Retired Member** shall be defined as any person who has been an Active Member for 10 years or more, in good standing upon retirement from the fire service.

Mission Statement

The Illinois Fire Service Administrative Professionals is dedicated to professional growth through education and information sharing of current issues and emerging trends in order to elevate the value of administrative services to those we support.

Committee Interest

Is there a Committee that you would like to assist with?
